November Program – Getting To Know You

Community Outreach

Carolyn Gibbons

Thank you for such a great year with our community outreach projects - You made it happen.

I will be delivering the placemats to Senior Life Services very soon and things for Welcome Baby and Mental Health after the December meeting. If you have any projects, please bring to the next meeting (or sooner to my house if you would like to!) If you need any last-minute fabric, batting, etc., let me know.

Consider taking the position of Community Outreach Chairman next year. I will be happy to help you and give you ideas if you need them. It is a very rewarding feeling to be able to share our skills with the community.

Merry Christmas and Happy New Year!

I would like to take this opportunity to thank everyone for their participation in our guild. You are such talented quilters and are always willing to share those talents with others.

At our Dec. 12 meeting we will celebrate the holidays with food and presents. Our special guests will again be Mr. and Mrs. Wright. Please bring a sewing related gift valued between \$15 - \$20. Drinks will be provided.

Our quilt show was very successful with over 250 people coming to view your beautiful quilts. I look forward to our next show.

This holiday season is an excellent opportunity to reflect on this past year while looking forward to the new year of new programs and speakers. Check out our website for the list of our monthly activities.

We have been very blessed with new members to our guild. At our Jan 9, 2023 meeting we will get to know more about our members.

Have a Blessed Christmas and a Happy, Healthy New Year 2023. See you at the meeting!

Barb

2022 Quilt Show

Donna Holman

The 2022 Carolina Pine Quilters show was a big success. A HUGE thank you to all who volunteered in any capacity including those that made items to sell in the museum gift shop. We made \$500 on those items which will help immensely in defraying the costs of putting on the show. We plan to continue to donate items to the museum. So as you make some small items, feel free to bring them to any guild meeting. Thanks to all those who showed up (including the husbands, children and outside volunteers) to help take down the quilts. It was completed in record time. It's now time to start thinking about what you'll enter next year. Everyone is encouraged to enter, no matter your level of experience. They are all admired by those that visit the show!

Please turn in your comfort quilt blocks to Doris Leidheiser or Diane Miller at the next meeting!
