Program News

There will be no July meeting while we continue our time of social distancing.

Chat with the President

Barb Saporito

Since the stay at home policy, I have put a real dent in my UFO projects, finishing the majority of the months for the challenge. I may have to start another UFO sheet! This has given me focus on the projects that were waiting to be completed. The Christmas quilt may even be done by this Christmas!

I have enjoyed the posting of pictures and "funnies" from our members. Keep them coming!

'til we meet again.

UFO Challenge – Susan Congdon

I'm almost finished with one of my UFO's! It just needs the borders and then it's ready to be quilted. Next on my to-do list is a UFO that's been aging long enough. How have you been doing with your project list?

The number for July is "11".

Barb Saporito's completed UFO projects!
