President's Chatter

Barb Saporito
2020 Guild President

CPQ purpose statement: *The purpose of this organization shall be to create, stimulate, maintain and record an interest in all matters pertaining to the making, collecting and preserving of quilts and to establish and promote educational and philanthropic endeavors through quilts.*

WOW what a statement! I have seen all of these endeavors at each meeting! We have many talented quilters in our organization. Think about sharing your talents for classes at our 2020 Super Saturday.

Many of you have signed up for planning programs for next year. I would love to work with our new VP to head these talented quilters for next year's programs. As president elect for 2020, my vision is to continue our involvement in our community via outreach programs, promote fellowship through various classes and continue our super Saturdays which have been very successful. I look forward to being your president of CPQ in 2020.

Super Saturday Summary

Lucy Bureau

Ladies, I want to pass on that I received a lot of positive feedback from many members who participated in Super Saturday on Aug 17. A big Thank You to the instructors for their time and individual contributions in making this an enjoyable learning experience for all. AND for those of you that brought in home baked goods, fresh coffee, etc., and helped clean up and get the rooms back to their original state...thank you!

I know I walked away with some appliqué skills I didn't have. I feel great that I left that afternoon a little more knowledgeable than I did that morning. Given the smiles and happy chatter that I witnessed, I would say most felt this way too.

Below is a photo of Donna Davis and her friend Janice Burt who taught the appliqué class at Super Saturday. The quilt is called Hummingbirds and Flowers and was done by Janice Burt. Donna has a similar quilt in progress. The pattern is by Patricia Cox.
