

Burp Cloth - PDF Pattern

By AppleGreen Cottage

This is a **PDF pattern for an easy burp cloth**.

With a new baby in the family, you can never have too many burp cloths! These are an easy and quick beginner sewing project.

A set of these adorable and practical burp cloths and bibs for the baby, and an **Ultimate Diaper Clutch** for the mom (pattern [in the shop](#)) will make the perfect handmade gift every new mom would love to have.

This PDF file contains pattern pieces only, for the instructions visit the **full tutorial here**:
