### Chat with the President

Tony Gardner

Welcome to 2024! It seems like just yesterday we were worrying about Y2K crashing our computers. Time flies!

I have been thinking about New Year's resolutions. I would like to encourage you to consider a Quilt resolution. Maybe finish one of those old projects, make a project completely out of your stash, or challenge yourself to learn a new technique. Maybe do all three!

We have some fun programs planned for this year and of course, our amazing quilt show to get ready for. I hope everyone will get involved and participate. Don't forget to do your part in our community outreach projects, too. I'm sure there is plenty Connie could use help with.

I look forward to my tenure as your President, knowing I have a tough act to follow. I would like to personally thank Barb for encouraging me to take on this role. My hope as we progress through 2024 is to get to know more of you. Please don't hesitate to introduce yourself if I don't yet know you.

Be kind,

Tony

### Words from the past President

Barb Saporito

Thank you all for the wonderful gifts that I have received from the guild. I appreciate the love and support I received during the years that I was your president. I have enjoyed the journey and I look forward to the years ahead.
