Despite the pandemic, our quilt show was a success! The museum estimates that there were over 300 people coming in to see the quilts. I have received many positive comments from friends and neighbors saying it was great to get out of the house and view the beautiful quilts at the museum. We had 46 quilts entered and approximately 32 community outreach quilts displayed. Thank you to all who participated in our show. Your hard work was appreciated.

I hope you all had a very nice Thanksgiving, even though many of us were unable to visit with family and friends.

Next year will also be a challenge for our guild to conduct meetings. I am hopeful that the vaccine will be available by Jan 2021 so that we will be able to meet and the world can get back to socialization. We will still have our speakers scheduled for 2021 but please check the website for updates and any changes.

Because we have not been able to meet much in 2020, the board has decided to carry over our 2020 dues to 2021.

Have a Blessed Christmas.

Barb

In hopes that we will be able to meet once again in 2021, we are postponing distribution of the quilts until all that you have accomplished can be displayed at a guild meeting.

In preparation for a new Community Outreach committee, we have organized and packed up the totes of material and supplies. They can be picked up from Diane's house any time after January 4th.

Doris and I wish you a Merry Christmas and Happy New Year!
