July Program – Christmas in July!
Donna Holman and Barb Saporito
will be showing us how to make
simple folded ornaments.

Happy Independence Day! The first ever recorded July 4th celebration was held in Philadelphia, PA on July 4th 1777 with the firing of 13 firework rockets set off in the town square. John Adams, 2nd Pres. of the US, founding father and leader of the American Revolution wrote to his wife on the day of the signing of the Declaration of Independence in 1776, saying this date will be the most memorable day in the history of America. It should be celebrated with pomp and parade. There has never been an Independence Day celebration without fireworks. Enjoy the celebration with pomp and parade.

At our July guild meeting, we will be celebrating Christmas in July. Anyone wishing to bring cookies or any variety of treats, may do so. We also will be making simple folded ornaments. What you make will be sold to the Aiken Historical Museum for their gift shop. The ornament material will be provided for you.

You will need to bring:

Sewing Needle
Red/Green thread
Scissors

Anyone need material? At our guild meeting, material, patterns, and a variety of sewing items will be available from Kathleen Dufresne. She was a former guild member who has passed away, and she wanted all of her material to be given to our guild. I also will have some of her almost completed creations for show and tell. She was a very talented quilter. I would have liked to have met her.

Stay cool and see you at the meeting.

Barb

I fully intend to make quilts with all the fabric & patterns I've bought. I'm on schedule to do so by my 835th birthday.

First, thank you for supporting Sit and Sew. Karl at Dunagan's has been so gracious in providing us with a place to work and I am delighted that so many of you came last Thursday. It's a good place to meet and visit with other guild members. I decided to wait until the meeting in July to draw for a prize for bringing in fat quarter bags. I have tickets, so make sure you get yours at our next meeting. I will be delighted to take the bags at the July meeting. You can get a ticket for each bag and 2 tickets for each filled bag. Any hygiene products will be acceptable. Toothbrushes, combs, toothpaste, shampoo, lotion, soap, etc., are all good items. These bags will be donated to either the mental health center or to a shelter as needs become known. We will, of course, continue with Welcome Baby. I plan to make a delivery in July. I will let you know of a date so you could come along if you would like. Thanks again for all you do to help our community. If at any time you feel there is another need that we could meet, let me know and we will approach that as well. In August, I will be giving you the information for making Christmas placemats that we always donate to Meals on Wheels.

2022 Quilt Show

Donna Holman

The theme for the 2022 quilt show is "Charming Quilts". We will have a special category for the charm pack guild challenge where you can enter the projects you made using charm squares. The quilt show will run November 1 - November 18. More details will follow with opportunities to volunteer.

The registration form and a list of categories are available on our website www.carolinapinequilters.org under the Quilt Show category - 2022 Quilt Show. All quilts must be pre-registered and registration must be received no later than September 22. A photo of your entry is REQUIRED. If you have problems printing a photo, please let me know.

To help offset the costs of the quilt show we will be selling items to the museum store for them to resell. They would like small items such as (but not limited to) small zip bags, drawstring bags (think our fat quarter bags), hot pads, button baskets, placemats (set of four), table runners, ornaments, soup bowl cozies, potholders, rice neck wraps, etc. Think pretty fabric, seasonal fabric (we'll be heading into Christmas) or Clemson/Carolina fabric. All items should be turned into Donna Holman who will work with the museum store. If you plan to donate, please let me know so I know how much to expect. To start they would like no more than ten of any one item. If you have any questions, please let me know.

August Meeting Program Gizmos, Gadgets, and Goofs

Annmarie Gorenssek

Back in the early nineties in northeastern Ohio there was a hyper store called Twin Valu. They had a TV commercial where a slow-talking man said he only went into Twin Valu to buy milk but was drawn to hand tools.

Well, fellow quilters, that is me ----- drawn to the notions wall. I love notions and have acquired quite a collection that I am hoping to use someday. Our program for August is all about notions! Come prepared to share your notions.

1. What is your favorite notion?
2. What is your most used notion?
3. What is the notion that answers the question, "What was I thinking?"

Bring your notions to show; you never know, your goof might be someone else's treasure!

Time permitting, we will talk about the silliest thing that we have ever been asked to sew.

My name is Barbara Wise and I am a member of Colony Lutheran Church in Newberry, SC. We have been fortunate to receive a large, and I do mean large, amount of material that we have washed, ironed, measured, and priced that we now have for sale. Anyone interested can either email me or call me at 803 924-0937 and I would be happy to meet them at our church for them to have a look. We have all sizes and it is very reasonably priced!
