#### Program news from Marolyn...

*Unfortunately, we have had to cancel our May meeting due to ongoing concerns about social distancing. Our speaker was to be Anne Mixon, who was going to share with us about Quilts of Valor. We hope to be able to re-schedule her in the future.*

#### **Workshop Update**

Annamarie Gorensek

Hello quilters! Hope everyone is safe and healthy and not losing your minds. As stated by Barb, I cancelled our June speaker and workshop because, let's face it, my subscription to the Psychic Friends Network has expired and I have no idea when we will be meeting again.

But...the good news is that Lee Monroe and her **Understanding the Rainbow** color lecture and workshop has been rescheduled for January 11 and 12, 2021. What a great way to kick off 2021.

Stay safe and healthy and I look forward to our next meeting.

Are all of your UFO's finished? At least we all had time to complete at least 1 or 2. I have been working on the challenge for our 35<sup>th</sup> year celebration. I am doing a technique that is new to me so it has been a fun challenge.

Many of you have been making masks during this time of confinement. Thank you for your contribution.

When we are finally able to meet for our guild meeting, we will have a show and tell for the entire meeting so pack up all your projects and bring them in. At this time, we've had to make the decision NOT to have our regular meeting in May. Our speakers and workshops for April, May and June will be rescheduled.

Stay safe and be well.

#### **UFO Challenge – Susan Congdon**

Wow! When we issued the UFO challenge, we never dreamed that we'd have all this time to work on them. I hope everyone has been staying safe and spending some quality time with their sewing machines. I know mine has been getting a workout sewing face masks. I'm looking forward to getting back to my quilting projects.

The number for May is "1".

## Mask Survey Results

Karen Erickson

I always knew that our guild members were a caring group of people and here is proof! The mask survey had 36 responses with a total of 2200+ masks made. Wow! As a group, we've provided masks for our families, friends and neighbors; those in health care, co-workers, hairdressers, military families, store employees, rehab and nursing homes, and for several hospitals. Two responders also made surgical caps.

Kudos to all who helped in this way during the COVID-19 pandemic!
