Program News

There will be no September meeting while we continue our time of social distancing.

Chat with the President

Barb Saporito

September will be exciting. We are planning our 2021 programs. If anyone has a speaker or program they want to share for 2021, please let Margot know because she is organizing the speakers/programs for next year. I hope and pray that our country's economy will be better in 2021.

I am also looking forward to our mini quilt show at the museum, Nov. 5-23, 2020. We will display our challenge pieces -- having our own CPQ members voting for their favorite -- and any small quilt or wall hangings that will fit on our wire display racks. A registration form will be needed for all who enter their creations. The registration form will be revised for our mini 2020 quilt show only. It will be posted on our web site.

Stay tuned and stay safe. Till we meet again.

UFO Challenge – Susan Congdon

I hope you've been able to move some of your projects to the finished category. As I work on my UFO's, masks and even some new projects, I have learned something - my stash will keep me supplied for a long, long time, I'm still waiting to see a dent in it!

The number for September is "8".

****ANNOUNCEMENT****

We will be having a Mini Quilt Show at the museum that will showcase our challenge quilts this year as well as any small quilts or wall hangings that will fit on our wire racks.
